**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am writing to let you know that I chose an independent competitive internet provider over ATT. I did this because the service is incredible, their employees are easy to connect with and very responsive, the speed is literally 10x, but the price is almost half! Yes, I get more internet, friendlier service all for less money. High speed internet is critical for me - it enables me to work from home with my small business and avoid clogging the roads to commute in. I previously was with DSL, and the speeds were TOO low to work from home!

Please keep this competitive!
